

# TESS™ FINWEAVE 3%

A PVC-free polymer fabric, providing strength and stability and exceptional heat and glare reduction. This fine woven fabric with uniform openness, has a soft textile appearance for demanding design driven applications.

This fabric provides glare protection as low as 2.9T<sub>v</sub> and heat protection as low as 0.05g<sub>tot</sub> (externally applied)

or 0.36g<sub>tot</sub> (internally applied), dependant on colour choice, as well as being fire rated to B1 (M1) European standard. Available in widths of 1800mm and/or 2600mm depending on colour – please enquire for more detail.

Fabric samples are available on request. Minimum handling charge of £50, delivered within 10 working days, and refundable on receipt of a purchase order for the project.
